- Copy Word Stars for student use.
- Gather materials for differentiated small group instruction (see Differentiated Small Groups: Work with Teacher).

Vocabulary

Key:

(L): Lesson-Specific Vocabulary

(T): Text-Specific Vocabulary

- identify, workout, exercise (L)

Materials

- ✓ Enlarged Word Stars for “oi” and “oy” (one for display)
- ✓ Word Lists (one copy per pair; cut apart for Student A and Student B)
- ✓ Word Stars for “oi,” “oy,” “ow,” and “ou” (one set per pair)

Opening

A. Word Workout: Word Stars

- (Suggested transition song, sung to the tune of “The Muffin Man”):
“Do you know the words we’ll write, the words we’ll write, the words we’ll write? Do you know the words we’ll write in our stars today?”
- Begin the Word Workout: Word Stars instructional practice:
 1. Teacher says: “We have been working with words with two sounds: /ow/ and /oy/.”
 2. Teacher asks:
“Who can remind us of the two spellings for each sound?” (“oi” and “oy”; “ou” and “ow”)
“Right! And how do we know when to use ‘oi’ or ‘oy’ for /oy/?” (“oi” when the sound is in the middle of the syllable or word, followed by a consonant; “oy” when the sound is at the end of the syllable or word.)
“And how do we know when to use ‘ou’ or ‘ow’ for /ow/?” (“ou” when the sound is in the middle of the syllable or word, followed by a consonant; “ow” when the sound is at the end of the syllable or word.)
 3. Teacher says: “Great! Today you are going to use the exercise: Word Stars for your Work Workout. Should be You. will work with a partner to practice reading and spelling words with the /oy/ and /ow/ sounds to complete a Word Star. I’ll show you with these/ oy/ Word Stars.”
 4. Teacher models the Words Stars workout with the “oi” and “oy” Word Stars:
 5. Teacher displays **enlarged Word Stars for “oi” and “oy”** on the board.
 6. Teacher says: “This Word Star has ‘oi’ in the center, so all the words we add here will be /oy/ words spelled with ‘oi.’ The other Word Star has ‘oy’ in the center, so all the words we add here will be /oy/ words spelled with ‘oy.’”
 7. Teacher asks:
“If I say the word ‘coin,’ on which Word Star should I write this word?” (the “oi” Word Star)

8. Teacher writes “coin” on one of the lines of the Word Star (see supporting materials).
9. Teacher says: “You and your partner will each have a Word List with /oy/ and /ow/ words. You will take turns reading and writing the words. Your partner will read a word, and you will decide on which Word Star to write it. Then you will read a word and your partner will decide on which Word Star to write it. You will write the words on the lines of the Word Star just as I did with ‘coin.’ Your goal is to get all the words on the correct Word Stars. When you are finished with all the words, you can check your work with the Word Lists.”
10. Teacher says: “When you practice this exercise, you’ll work with a partner to practice reading and writing /oy/ and /ow/ words.”

Meeting Students’ Needs

- Students may comment that familiar words like “brown” and “owl” are spelled with “ow” followed by a consonant. Consider introducing the generalization that /ow/ followed by a single consonant “l” or “n” is spelled with “ow.”
- Students may comment that familiar words like “flower” and “towel” are spelled with “ow” followed by “e” and a consonant. Consider introducing the generalization that /ow/ followed by “er” or “el” is spelled with “ow.”
- Consider providing support as students make connections between spelling patterns and syllable types with sentence frames. Example:
 - “I notice when /ow/ is in the middle of a word, it is usually spelled with ‘ou.’”

Work Time

A. Word Workout: Exercise Practice

- (Suggested transition song, sung to the tune of “The Muffin Man”):

Teacher: “*Can you work together, together, together? Can you work together to count the syllables?*”

Students: “*Yes, we’ll work together, together, together. Yes, we’ll work together to count the syllables.*”
- Begin the Word Workout: Exercise Practice instructional practice:
 1. Teacher says: “Now you will practice with a partner. You will each get a Word List and four Word Stars to complete together. Each person will take a turn reading and then writing. First, your partner will read a word from his or her list. You will decide on which Word Star to write the word. After you have added the word, it is your turn to read a word from your list, and your partner will write it on a Word Star. When all the words have been written, you will work with your partner to check the words you wrote with the Word List to be sure you chose the correct Word Star.”
 2. Teacher distributes **Word Lists** and **Word Stars** to partners and observes as students practice the exercise.

Meeting Students' Needs

- For students who may quickly complete the exercise practice, consider inviting them to create descriptive oral sentences that contain the words from their Word Stars.

Closing and Assessment

A. Reflecting on Learning

- Emphasize that successful learners take responsibility for their learning by setting goals for themselves. Invite students to reflect on something concrete they can work on during whole group or differentiated small group instruction. This may be based on their assessment goal-setting conferences, on feedback during differentiated small group work, or on their own self-identified needs. Example:
 - “My goal is to listen for where the vowel sound is in words. I am going to work toward that goal in small group time.”

Meeting Students' Needs

- For students who need additional support organizing their ideas: Provide sentence frames. Examples:
 - “My goal is to ____.”
 - “When I work toward my goal during small group time, I will ____.”

Differentiated Small Groups: Work with Teacher

Suggested Plan: Teacher works with students in the Partial Alphabetic and Full Alphabetic groups. If possible, teacher should also meet with the Consolidated Alphabetic group at least once per week.

Note: Groups not working with the teacher at a given time should be engaged in purposeful independent rotation work. Refer to the Independent and Small Group Work Guidance document for more details (see K–2 Skills Resource Manual).

Partial Alphabetic:

- Students complete exit ticket:
 - Students continue with the Word Stars activity from Work Time B as needed.
 - Students cut Segment the Syllables Word Cards into syllables. Students glue divided syllables onto Segment the Syllables recording sheet.
 - Follow up with exit tickets. Analyze words that were more challenging and discuss why. Ask students to identify the syllable types.
- Use the Assessment Conversion chart to determine appropriate Grade 1 lessons and Activity Bank ideas to use in daily small group instruction.
- Check in with Accountable Independent Reading.

- Additional Supporting Materials:
 - Word Stars
 - Segment the Syllables Word Cards
 - Segment the Syllables recording sheet

Full Alphabetic:

- Students complete exit ticket:
 - Students complete Segment the Syllables or Syllable Slice (see supporting materials).
 - Follow up with Word Lists and exit tickets. Analyze words that were more challenging and discuss why.
- Consider working with an appropriate common text, making connections to “oi,” “oy,” “ou,” and “ow” words, and holding text-based comprehension conversations.
- Check in with Accountable Independent Reading.
- Additional suggested activities:
 - An Activity Bank Activity from the Affix category (A)
- Additional Supporting Materials:
 - Segment the Syllables or Syllable Slice (one per student)

Consolidated Alphabetic:

- Students complete exit ticket:
 - Students complete Syllable Slice (see supporting materials).
 - Follow up with Word Lists and exit tickets. Analyze words that were more challenging and discuss why.
- Check in with Accountable Independent Reading.
- Consider inviting students to write an article for the *Sunnyside Gazette*, using as many “oi,” “oy,” “ou,” and “ow” words as they can.
- Additional Supporting Materials:
 - Syllable Slice (one per student)
