

### Daily and Supporting Learning Targets

- Opening A: I can tell what I learned from the Engagement Text: “Show Me the Basics: Compost.”
- Opening B (optional): Using evidence from the text, I can answer questions about the Engagement Text: “Show Me the Basics: Compost.”
- Work Time A: I can read high-frequency words: “although,” “available,” “birthday,” “helpful,” “vegetable,” “buy.” (RF.2.3f)
  - I can read second-grade words that “don’t play fair” in isolation.
- Work Time B: I can read the decodable text “Compost.” (RF.2.3)
  - I can use knowledge of vowel sounds to help me decode words with different spelling patterns.
  - I can decode words with common suffixes.
  - I can read second-grade words that “don’t play fair” in text.

### Ongoing Assessment

- Observe students during Work Time A.
  - Determine whether they can read high-frequency words.
  - Also determine why the words are regularly or irregularly spelled.
- Observe students during Work Time B.
  - Determine whether they can independently find a given word.
  - Also determine whether they can decode words “-able” and “-ible” ending three-syllable words and irregularly spelled high-frequency words.
- Exit ticket (see Differentiated Small Groups: Work with Teacher).

### Agenda

1. **Opening (3–5 minutes)**
  - A. Engagement Text Read-aloud: “Show Me the Basics: Compost”
  - B. Comprehension Conversation (optional)
2. **Work Time (10 minutes)**
  - A. Snap or Trap: “although,” “available,” “birthday,” “helpful,” “vegetable,” “buy”
  - B. Decodable Reader: Partner Search and Read: “Compost”
3. **Closing and Assessment (2 minutes)**
  - A. Reflecting on Learning
4. **Differentiated Small Group Instruction and Rotations (40–45 minutes)**

### Teaching Notes

#### In advance:

- Prepare:
  - Snap or Trap T-chart

- Snap or Trap Word Cards (write the following words on index cards: “although,” “available,” “birthday,” “helpful,” “vegetable,” “buy”)
- Interactive Word Wall
- Comprehension Conversation questions (if different from suggested questions)
- Predetermine partnerships for retelling during Opening A and Work Time B.
- Gather materials for differentiated small group instruction (see Differentiated Small Groups: Work with Teacher).

## Vocabulary

### Key:

(L): Lesson-Specific Vocabulary

(T): Text-Specific Vocabulary

(W): Vocabulary Used in Writing

- comprehension, grapple, responsibility, retelling (L)
- compost, fertilizer, decay (T)

## Materials

- ✓ Enlarged Engagement Text: “Show Me the Basics: Compost”
- ✓ Snap or Trap Word Cards (see supporting materials)
- ✓ Snap or Trap T-chart (on whiteboard or chart paper; Snap on one side and Trap on the other; from Lesson 62)
- ✓ Enlarged Decodable Reader: “Compost” (one for display)
- ✓ Interactive Word Wall
- ✓ Decodable Reader: “Compost” (one per student)
- ✓ Highlighters (one per student; one for teacher)
- ✓ Highlighting tape (for the teacher to use to highlight the Decodable Reader; optional)
- ✓ Tape, magnet, or other material to fasten Snap or Trap Word Cards to the Snap or Trap T-chart

## Opening

---

### A. Engagement Text Read-aloud: “Show Me the Basics: Compost”

- (Suggested transition song, sung to the tune of “The More We Get Together”):
  - “**Gather round together, together, together. It’s time to hear a story, a story, a story. It’s time to hear a story and say what you’ve learned.**”
- Display **Enlarged Engagement Text: “Show Me the Basics: Compost.”**
- Begin a read-aloud of the Engagement Text: “Show Me the Basics: Compost”:
  1. Teacher says: “Listen carefully as I read this text: ‘Show Me the Basics: Compost.’ After I am finished reading, you will retell the main points to a partner and answer some questions about it.”
  2. Teacher reads text without interruption, pointing out the accompanying illustrations.
  3. Students turn to a partner and retell the main points in the Engagement Text: “Show Me the Basics: Compost.”

### Meeting Students' Needs

- For students who need additional support, including ELLs: Provide picture cards of nouns in "Show Me the Basics: Compost" to support comprehension.
- Consider asking students to make connections to the text, such as if they have helped take care of plants at home.

## Opening

---

### B. Comprehension Conversation (optional)

- Teacher asks the following suggested comprehension questions:
  - Recall:
    - “What type of text is this?” (nonfiction; informational)*
    - “How do you know?” (Answers will vary.)*
    - “How does the author define a ‘compost?’” (mixture of garden scraps and kitchen vegetable scraps that rot and make your soil better)*
  - Vocabulary and Language:
    - “The author says to ‘sprinkle a handful of fertilizer’ on top of the compost. What is ‘fertilizer?’” (nutrition for the soil)*
    - “The author says turning the compost with a shovel to get air in with ‘speed up the decaying process.’ What does ‘decay’ mean?” (break down)*
  - Digging Deeper: Extension Questions:
    - “What are the benefits of composting?” (Answers will vary.)*
    - “What kinds of scraps from the kitchen and scraps from the garden can be used to compost?” (Answers will vary.)*

## Work Time

---

### A. Snap or Trap: “although,” “available,” “birthday,” “helpful,” “vegetable,” “buy”

- Begin the Snap or Trap instructional practice:
  1. Teacher says: “We know some words can be hard to read and spell because they don’t look and sound like they should. We call those words ‘words that don’t play fair.’ Today, we’re going to look at words like this and figure out what makes them hard to read and spell.”
  2. Teacher shows students a list of **Snap or Trap Word Cards** (“although,” “available,” “birthday,” “helpful,” “vegetable,” “buy”) and a **Snap or Trap T-chart**.
  3. Teacher says: “All of these words are high-frequency words, which means we see them a lot when we read and use them a lot when we spell. Some of them are regularly spelled; they ‘play fair.’ Some of them are irregularly spelled, so they don’t ‘play fair.’ We will figure out which ones should go in the Trap column and which ones go in the Snap column.”
  4. Teacher reads all words aloud.
  5. Teacher reads “birthday.”
  6. Teacher says: “Take a minute to think about this word and read it to yourself.”

7. Teacher asks:
  - “Do you think this is a snap or trap word?” (snap)*
  - “Great, and who would like to share why this is a snap word?” (because it is spelled just as it sounds)*
8. Teacher adds word to Snap column on chart.
9. Repeat steps 5–8 with remaining words until all words are identified as snap or trap.
10. Students and teacher chorally read list of snap and trap words together.

### Meeting Students' Needs

- Encourage students to grapple with their knowledge of letter sounds to decide if high-frequency word is a snap or trap word.
- Encourage students to explain their thinking when identifying words as snap or trap.
- Encourage students to read each high-frequency word first and then analyze the word after reading it.
- Encourage students to share their thinking when identifying words as snap or trap. This analysis supports future learning in morphology.

### B. Decodable Reader: Partner Search and Read: “Compost”

- (Suggested transition song, sung to the tune of “The More We Get Together”):
  - “Now you will read a story, a story, a story. Now you will read a story with words that you know.”*
- Begin Decodable Reader: Partner Search and Read instructional practice:
  1. Teacher displays the **Enlarged Decodable Reader: “Compost.”**
  2. Teacher says: “First we read the text together, ‘Show Me the Basics: Compost.’ Now we will read a related text, titled ‘Compost.’ This text is filled with words that YOU can read! There are decodable words, and there are some words that ‘don’t play fair,’ like ‘vegetable.’”
  3. Teacher draws students’ attention to words on the **Interactive Word Wall**.
  4. Teacher distributes the **Decodable Reader: “Compost”** and **highlighters** to each student.
  5. Teacher says: “Before you read the book with your partner, we are going to be detectives. We are going to look for some of the high-frequency words. Remember, some of these words ‘don’t play fair,’ which means they are not easily decodable and so we identified them as trap words.”
  6. Teacher models with Enlarged Decodable Reader and thinks aloud as she notices one of the high-frequency words. Teacher highlights it with a highlighter or **highlighter tape**. Model again as needed.
  7. Partners search for high-frequency words in the Decodable Reader: “Compost” together and highlight in their own book.

8. Teacher circulates to help partners find words as needed, focusing especially on those words that “don’t play fair.”
9. Teacher says: “Now you are ready to read the Decodable Reader with your partner. Some of the words in the story will be familiar because you have learned them in previous lessons. And some of the words you will see for the first time, but don’t worry: Each of the words that you will see for the first time includes only patterns that you have learned. So, you just need to say the sound that goes with each of the letters you see in the word, then blend them together to read the word. You’ll see a lot of words with ‘-able’ and ‘-ible’ at the end!”
10. Students read “Compost” with a partner. Partners may take turns (by page or whole text), read in unison, or both.

### Meeting Students' Needs

- If readers in the Pre-Alphabetic or Partial Alphabetic phase need additional support to find the high-frequency words, consider allowing a reader in the Full or Consolidated Alphabetic phase to help them. Or consider asking them to find the beginning letter of the word instead of the whole word.
- If readers need extra practice with words that “don’t play fair,” direct them to the Interactive Word Wall. Or have them read the rest of the sentence and think about which high-frequency word would make sense in the blank.

## Closing and Assessment

---

### A. Reflecting on Learning

- Emphasize that in any organization made up of a group of people working toward a common goal, everyone has their own responsibilities, but they also collaborate (work together) so that everyone can “grow and flourish” or “be the best they can be.” Consider using a metaphor, such as a sports team, city government, or other group, that may be familiar to students. Invite students to share how the classroom community is such an organization. It is made up of a group of people (students and teachers) working toward a common goal (everyone becoming proficient readers and writers).
- To support students’ reflection of their own role in collaboration, consider inviting them to reflect on one or more of the following questions:
  - “What can I do today that will help to create a classroom community where all of us can ‘grow and flourish’ as readers and writers/become proficient readers and writers?” Encourage specificity.*
  - “How can I ask for help so I can ‘grow and flourish’ as a reader/writer or ‘become proficient’ as a reader/writer?” (Example: “I can ask someone to look over my work and give me feedback.”)*
- Depending on students’ comfort level, consider inviting them to share their own personal goals (based on feedback from mid- or end-of-module assessments or self-identified goals based on daily work).

### Meeting Students' Needs

- For students who need additional support organizing their ideas: Provide sentence frames. Examples:
  - "When I see someone \_\_\_\_, I'll make sure to \_\_\_\_."
  - "If someone asks me to \_\_\_\_, I'll \_\_\_\_."
  - "If I have a question about or need help with \_\_\_\_, I'll \_\_\_\_."

### Differentiated Small Groups: Work with Teacher

---

*Suggested Plan: Teacher works with students in the Partial Alphabetic and Full Alphabetic groups. If possible, teacher should also meet with the Consolidated Alphabetic group at least once per week.*

*Note: Groups not working with the teacher at a given time should be engaged in purposeful independent rotation work. Refer to the Independent and Small Group Work Guidance document for more details (see K–2 Skills Resource Manual).*

#### All Groups

Either today or another day this week after the Decodable Student Reader has been introduced, follow the Decodable Student Reader routine with each group. Differentiate the routine as needed based on students' microphase. See Lesson 7 or Independent and Small Group Work document for full routine. See Supporting Materials for Decodable Student Reader Planning and Recording Template.

#### Partial Alphabetic:

- Students complete exit ticket:
  - Students read the Decodable Reader: "Compost."
  - Students highlight each word that contains "-ible" and "-able" endings.
- OR:
  - Students highlight words with spelling patterns they are working on (CVC, CCVC, etc.)
  - Look over the exit tickets with student(s). Analyze words that were more challenging and discuss why.
- Use the Assessment Conversion chart to determine appropriate Grade 1 lessons and Activity Bank ideas to use in daily small group instruction.
- Check in with Accountable Independent Reading.

#### Full Alphabetic:

- Students complete exit ticket:
  - Students read the Decodable Reader: "Compost."
  - Students highlight each word that contains "-ible" and "-able" endings.
- OR:
  - Students work with teacher to write a new page in the Decodable Reader: "Compost" using words that contain "-ible" and "-able."

OR:

- Students work with teacher or a partner to provide a written response to the prompt:

***What is important to remember when making a compost pile?***

- Look over the exit tickets with student(s). Analyze words that were more challenging and discuss why.

- Check in with Accountable Independent Reading.

**Consolidated Alphabetic:**

- Students complete exit ticket:

- Students read the Engagement Text: “Show Me the Basics: Compost.” Students provide a written response to the prompt:

***Write an article for the Sunnyside Gazette’s new Home & Garden section that tells readers how to take care of a garden.***

- Students should try to use words that contain “-ible” and “-able” endings.
- Students should use a Writing Checklist (example found in supporting materials) to self-check or partner-check writing conventions
- Look over the exit tickets with student(s). Analyze words that were more challenging and discuss why.

- Check in with Accountable Independent Reading.

- **Additional Supporting Materials:**

- Writing Checklist (one per student)
