

Baseball

Cycle 18 Decodable Reader

Baseball is a fun game to play and watch. We call baseball a pastime. Do you like baseball?

Baseball is played outside. It is nice to play in the sunshine, but baseball games can sometimes be played when it is late, too. These players are from a long time ago.

These players do not have a bat. So they use a stick. They are playing stickball!

Here is a female player.
She just hit the ball.
I hope she can make it
to all the bases.
Let's see if she can.

She IS racing fast! Is she going to get there in time? She slides. She is safe!

He is diving for the ball.
He is trying, but he
cannot quite catch it.

Here are the fans. They like to taste hotdogs as they watch the game.

Do you like to play
baseball?
