

# I Look Out

Cycle 11 Decodable  
Student Reader

The sound of the  
wind is loud. I get up  
from the couch  
and I look out.

The sun is out with  
some clouds.

I count the clouds as  
they go past.

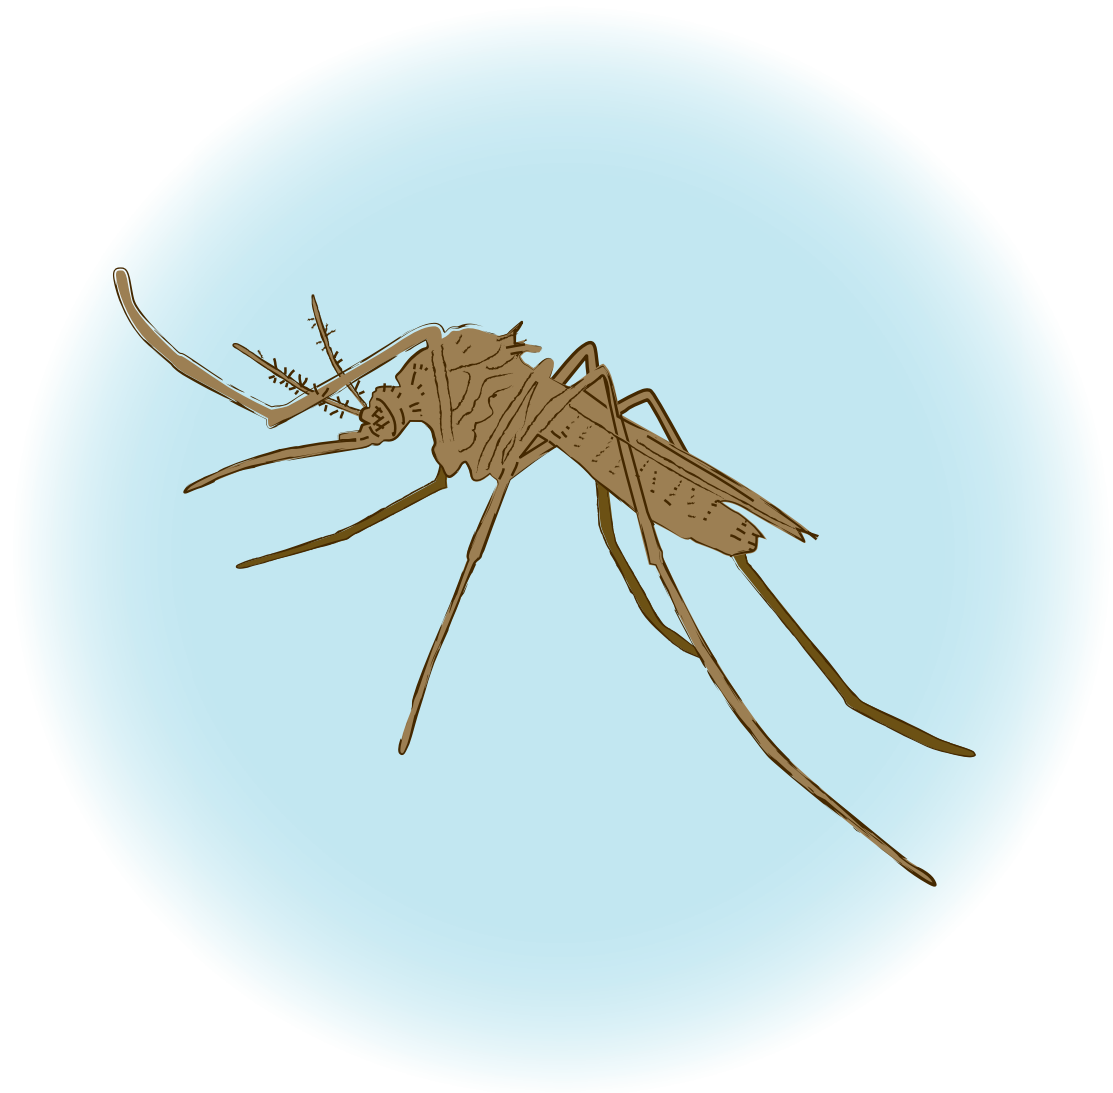

The wind gusts.  
The dust is up.

The nest is on the  
branch. I think I see a  
string in the nest.

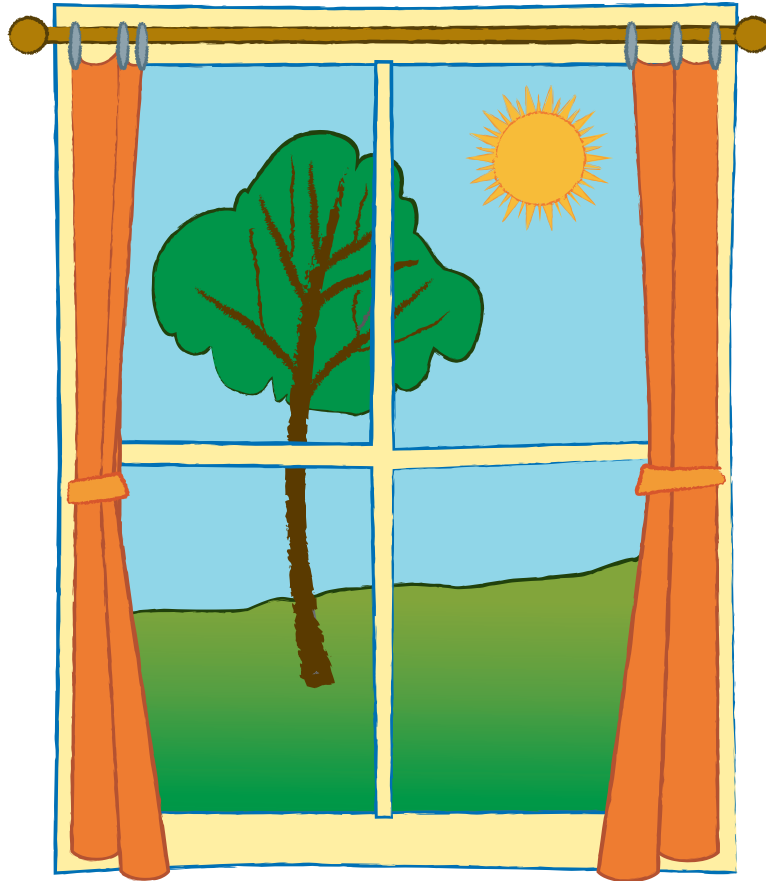

The fox hunts by  
the pond.

Ouch! A bug!  
The bug is a pest.

I look out. A last gust of  
wind. The wind is at rest.
