Too Many Options!

Cycle 12 Decodable
Student Reader

Soup for You is a new place to eat. It just opened near Sam's home. Sam and Dad want to go for lunch.

Sam and Dad walk down the block. They bring their coupon for a free bag of chips. There is a large crowd there. Other people want to try the new place, too.

They get in line and look at the list of soups and other lunch stuff. There are so many options! Sam doesn't know which soup he wants. He reads the list and thinks. He gets the clam chowder.

Then he looks at the chips. So many options! "I don't know which one to get," says Sam. He looks at the group of chips. Then he points to the plain chips. Dad picks them up and puts them on their tray.

Then they come to the drinks. More options! Sam doesn't know which one to get. "I don't know what I want to drink," says Sam. He thinks. Then he gets the orange soda.

Sam and Dad get their food and pay. They sit down and to enjoy their meal.

Sam takes a bite. The soup is boiling hot! He blows on it. Now it is OK to eat.

After he takes a bite he
says, "Yum, this is the best
soup I have ever had!
I picked the right option."
Dad smiles.
